## For Immediate Release

**FREDERICK, MD** – Gilbane Building Company has renewed their commitment to the Frederick Health Corporate Honor Roll with a pledge of \$25,000 in support of the *ReEnvisioning Critical Care* Campaign to renovate and expand the hospital’s Emergency Department, Intensive Care Unit, and Interventional Cardiology Services.

“Supporting Frederick Health is something very close to our core beliefs at Gilbane,” stated Ryan Becker, Project Executive, Gilbane Building Company. “We are a firm dedicated to ‘Building More Than Buildings.’ With our ongoing partnership with a community staple like Frederick Health, we are giving back to a place that is caring for the same community members who live in the area and have helped our project teams collectively support the hospital’s growth plan over the years.”

“We thank Gilbane for their generous continued support of the hospital and the Frederick community,” stated Tom Kleinhanzl, President & CEO, Frederick Health. “Gilbane is a wonderful example of the powerful impact that corporate responsibility can have on a local healthcare system.”

The Frederick Health Corporate Honor Roll was established more than 30 years ago to provide financial support for Frederick Health’s strategic capital goals. The Corporate Honor Roll roster includes a diverse group of more than 100 local businesses, organizations, and foundations dedicated to helping the hospital meet the healthcare needs of Frederick’s growing population.
